About Canadian Kids Nursery

A Trusted Name in Early Childhood Education

Located in the heart of Business Bay, Dubai, Canadian Kids Nursery has established itself as one of the UAE's leading premium early childhood education providers.

Our unique educational approach combines:

British EYFS Framework

Montessori Philosophy

Canadian Educational Practices

Trilingual Learning Environment

Designed to nurture confident, creative and globally minded children.

Our Educational Philosophy

Learning Through Discovery

At Canadian Kids Nursery, every child is encouraged to:

Learn through Play

Explore Independently

Develop Creativity

Build Confidence

Strengthen Social Skills

Foster Emotional Intelligence

Our classrooms create safe, inspiring environments where curiosity leads learning.

**“Every Child Learns Differently.
Every Child Matters.”**

Our Unique Curriculum

A World-Class Learning Experience

British EYFS

Structured early learning based on internationally recognised standards.

Montessori Learning

Hands-on experiences encouraging independence and self-discovery.

Canadian Educational Approach

Monthly themed learning that develops creativity, critical thinking and confidence.

NAEYC Best Practices

Global standards supporting excellence in early childhood education.

Trilingual Learning Advantage

Three Languages. One Bright Future.

Canadian Kids Nursery immerses children daily in:

English

French

Arabic

Benefits include:

- ✓ Strong communication skills
- ✓ Improved cognitive development
- ✓ Cultural awareness
- ✓ School readiness
- ✓ Global confidence

Hello!

Bonjour!

مرحباً
